## **CORRECTION – NUMBER OF ISSUED SHARES**

Cyclopharm Limited (Company) has recently become aware of an error in the total number of issued shares advised to the market.

The company incorrectly advised in its half year report released on 31 August 2011 that 2,800,000 shares issued under the company's long term incentive plan (including 700,000 shares held by the Managing Director and 2,100,000 shares held by other employees) had been cancelled (see note 6 to the half year financial statements). Those shares have been forfeited under the terms of the Plan Rules, but have not yet been cancelled. The company intends to seek shareholder approval to cancel the forfeited shares at the company's next Annual General Meeting.

The company has a total of 223,579,418 shares on issue and an updated Appendix 3B is attached.
